

Dear Parents,

We will be delighted to send you any progress reports (the Chinese original that includes a photo and an English translation) we have on file **after** you bring your child home. Please understand, however, that we cannot send progress reports before the adoption is finalized and that progress reports are not medical reports; we have no access to orphanage files. Because our staff is small by design and must prioritize running our various programs in China, Vietnam and Mongolia, we also ask that you be patient as we process your request.

If your child was at one of the institutions listed below, or the Chunhui China Care Home (CCCH) in Beijing, during the dates noted, ***please complete the form on page 2*** and submit it to us; our Beijing office will check to see if your child was enrolled in our program. If she/he was enrolled, we will send you any progress reports we have on file.
